Dear Dr Khayan

I have found your details from a reputed journal and your article entitled: “ Rainwater as a Source of Drinking Water: Health Impacts and Rainwater Treatment ” and it is our honor to invite you to be a part as an Oral Presenter in our upcoming conference “2nd International Conference on Public Health” scheduled on August 24-25, 2020 at Prague, Czech Republic

Have a glance at our website PS: [Public Health conferences 2020](#)

Kindly let me know about your availability during those dates and interest of participation so that we can assist you regarding your conformation.

We are waiting for your kind and favorable response

Hope to hear from you soon!

Regards,

Catherine Theresa
